"You are the light of the world. A town built on a hill cannot be hidden." Matthew 5:14 NIV)

YOU ARE LIGHT

This past December, did you hop in a car and take a drive to look at Christmas lights? Some houses have a couple of modest strings of lights, while others put on a flashy show synced up to Christmas music on the radio. Some parks have displays for you to walk or drive through and enjoy the beauty of bright Christmas lights during the winter evenings. Lights shine beautifully and brightly through the backdrop of darkness.

Jesus tells us we are "the light of the world." Wait, but didn't Jesus say in John 8:12, "I am the light of the world"? So, which is it? Is Jesus the light of the world, or are we? The answer is yes. Jesus is the light, and we are the light. How is that possible? Think of the relationship between the sun and the moon. Both give us light. Both shine over our world. The sun is the source of that light. The moon only reflects the light. Both give off light, but there is only one source.

Jesus is the light of the world. He stepped into our sin-darkened world to rescue us from the gloom of our transgressions and the shadow of death. On account of our sins, we were left stumbling around and could not find the way to salvation. We were lost and condemned to the pit of hell. But Jesus entered our world. His perfect life and death on the cross lit the way to salvation. The Holy Spirit opened our eyes and our hearts to see this light of salvation. We are no longer in darkness because God has brought us into the light of his love.

Jesus is the producer of the light, and we reflect his light. Lights shine. It is what they do. If a light doesn't shine, it doesn't have any value. Christians shine. It is what they do. As followers of Christ, we are called to shine the light of God's love in a world still lost in the darkness of sin. We are to shine so others may see the light of God's grace. As the Lord continues to give you his light through the Word, may you reflect that light ever more brightly in your life.

Holy Spirit, shine the light of your love on our hearts. Cause us to glow with the radiance of your grace and to reflect the light of Christ in our world. Amen

LENTEN BOOK STUDY

Looking for a spiritual discipline for Lent this year? Consider picking up author Max Lucado's book *He Chose the Nails; What God Did to Win Your Heart* as entry into a good discussion into our Christian faith with the aim of deepening our Lenten journey. In the book, Lucado invites you to examine the cross, contemplate its purpose, and celebrate its significance. This is an opportunity to linger on the hill of Calvary and see just how much God did to win our hearts.

We will be gathering Mondays from 9:30 am to 11 am beginning February 23rd and concluding March 30th. *He Chose the Nails* is being provided by our church council for our members.

Please let the office know so books can be ordered. Deadline for ordering is **February 11th**.

A birthday party was held at her residence for lifelong-member Tilly Hannemann for her 96th Birthday!! We are all glad to see you are looking beautiful as always. Hope you had a great birthday!

YOUTH SUNDAY

Youth of all ages participated in Youth Sunday where 3 different games of "Minute To Win It" were played. The picture to the left And below shows the contestants using a straw to move marshmallows.

Lots of concentration was needed to get as many marshmallows as possible into the egg carton in one minute.

Getting the Life Savers candy from the plate into your mouth took lots of thinking and patience. Those brave enough to try had a great time.

Youth Sunday will be held on the 15th of February again. It is always a fun time, and we hope that you will come and enjoy the energy of our youth. Whether young in age or at heart.

Remember as you begin your Spring-Cleaning Projects to keep the Goods and Goodies sale in July in mind. What will be taken will be available soon. This is always a great cause. Many thanks goes to Carolyn Melland and her family for the many, many hours that she puts into this project to make it a success.
