Inside This Issue

1. Task Force information
2. Congregational Life
3. Outreach suggestions

The Covid-19 Task Force held its monthly meeting on Tuesday August 11th and had a very productive discussion. The guidelines and recommendations we sent to the church council lead to interesting discussion at their meeting as well, and the church council did approve holding parking lot worship services, potentially several times a month.

The parking lot worship services will hopefully be held starting in a few weeks. There is equipment that needs to be purchased and set up before a definite date can be announced. Please be patient and we are hoping to send out a letter next week with more detailed information.

Its an exciting development. Stayed tuned for more details.

[Look for the Hainesville Lutheran Worship service online either on our Facebook page or on the church web site.](#)

Hainesville Lutheran is a fellowship of Christians, empowered by the Gospel, who share their faith through witness, service and hospitality.

- Pastor Trent is looking for more people to be readers for the worship service. If you are not comfortable with doing your own recording at home, or do not have the technology to do so, WE CAN HELP YOU OUT. Jessica Zeitler can make arrangements to meet with you and she can do the recording here in Door County. Please contact Pastor Trent if you'd like to help.
- **SYNOD ANNUAL MEETING**— 2 Delegates needed to attend the on-line meeting. The Synod Assembly that was to take place in May is rescheduled for September 26th. The Assembly will be held online using the Lumi Platform. You will need your own device (laptop, tablet, IPAD) and a strong internet connection to participate in the assembly. We need two participants, if you are interested and have the means to do so please contact Jim Vogel. JimHVogel@gmail.com or Pastor Trent. Registration has to be in by the 10th of September.

INCLUSION

Jesus announced good news to people often excluded from the societies of his day. He welcomed young children, empowered women, healed the sick, and reached out to people with all kinds of physical, mental, and spiritual illnesses. His love excluded no one. Yet now, for the sake of the common good, we will have to consider the number and the health status of people who can gather and worship safely in our church buildings. We lament the pain and difficulty of these limitations, and we look forward to the day when we no longer have to maintain such physical distance from one another. We will do everything we can to include by other means those who may not freely gather in our places of worship.

...WHILE AVOIDING STIGMATIZING OTHERS

Faithful Christian practices help to heal and free people from the stigma that identifies infectious diseases as God's punishment for individual sin. We read in the Gospel:

John 9:1-3

As he walked along, he saw a man blind from birth. His disciples asked him, "Rabbi, who sinned, this man or his parents, that he was born blind?" Jesus answered, "Neither this man nor his parents sinned; he was born blind so that God's works might be revealed in him.

Social stigmas lead to fear, exclusion, blame, and discrimination against individuals and communities, at times with deadly results. In order to be inclusive, we guard against stigmatization and fear in our worship and fellowship practices so that God's works of healing and insight may be revealed through the lives of all kinds of individuals and communities.

How do I send in my weekly offering during this time of Being the Church at Home?

We may not be gathering in our church building right now, but we are still being the church together even when we are apart. While we will be gathering together in person again some time in the future, we still have our financial commitments that need to be met in order to maintain the facilities and operations of the church until then. However, making financial contributions to the church is much more than simply maintaining a building and supporting church programs. Giving to the church is mostly about making a difference in people's lives. It is about supporting ministries that serve the local and global communities out of Christ's call for us to love our neighbor as ourselves. Please remember your offering to the church during this time.

There are two ways to submit your offering:

1. Mail in your offering to church:

Hainesville Lutheran Church
 3944 County Rd M
 Sturgeon Bay, WI 54235

2. Sign Up for *Simply Giving* automatic withdrawal program. Please contact Church Treasurer Ellen Klister for more information and assistance with enrollment. A SIMPLY GIVING form will be available with this newsletter as an attachment or included in the postal mailing.
